Epilepsy 20 Years.

Cured by Dr. Miles' Nervine. A few years ago, Mr. L. W. Gallaher, was an extensive, successful expert manu-facturer of lumber products. Attacked with epilepsy, he was obliged to give up his busi-ness. The attacks came upon him most in-opportunely. One time falling from a carriage, at another down stairs, and often in the street. Once he fell down a shaft in the mill, his injuries nearly proving fatal. Mr. Gallaher writes from Milwaukee, Feb. 16, '23.

There are none more miserable than epitepties. For 20 years I suffered with epilep-tic fits, having as high as five in one night. I tried any number of physicians, paying to one alone, a fee of \$500.00 and have done one alone, a recycl \$2000 and have done little for years but search for something to help me, and have taken all the leading remedies, but received no benefit. A year ago my son, Chas. S. Gallahor, deginglet at 191 Reed St., Milwaukee, gave me Dr. Miles' Restorative Norvine, and I tried it with gratifying results. Have had but two fits since I began taking it. I am botter now in every way than I have been in 50 years."

Dr. Miles' Remedies are sold by druggists on a positive guarantee that the first bottle will benefit or price refunded. Book on the Heart and Norwes.

BRYAN BACKED BY MILLIONS Silver Barons In Whose Hands Those Who Have Been Struck by the Craze Are Playing—Facts that Tath. As is well known, the leaders of the Democrats and Populists have been claiming that they have no money with which to carry on the campaign, that

there are no wealthy men in the movement to elect Bryan, and that hey must
rely upon thes "dear people" to help
them out, That these claims were false
is wel known, as is also the fact that the
silver barons of the west are prepared to
unload a goodly portion of their wealth
in order to elect a man who will permit
them to coin 50 cents' worth of silver
and call it a dollar.

The congressional committee has prepared a list of the leanding laryan supborters, who, while millionaires, are prepretending to be the masses in order that
they may become more wealth? Phils
ist shows the enormous wealth of \$347,000,000 represented by men of this class.
Here is the list;
Hearst estate, California, \$75,000,000,
Pair estate, California, \$50,000,000,
John Mackay, California, \$10,000,000,

Senator Lee Mantle, Montana, \$2,000,-000.

The grand totol is \$547,000.000.
The above table affords an interesting bird's eye view of the total wealth of but 22 of the leading silver mine owners of the west, who, either in person or through their agents have been active in shaping the 16 to 1 plank in the various platforms of the Democratic Populist and silver conventions, recently held in St. Louis and Chicago.

To the silver mine owners, the election of Bryan and of a free silver Democratic house means millions. Placing the production of their mines at 54,000,000 ounces a year, though it would soon be 190,000,-000 ounces, and the government Paying them at the rate of \$1.29 an ounce, and knanting, for the sake of argument, that it cost them 68 cents an ounce to mine, the picople of the United States would bay into the pockets of the silver mine owners \$41,000,000 per annum, and make great monopolists of the very men who are crying out against monopolies in their platform.
